Join us at

THE SUPPER CLUB

To raise funds for Eaves

You are invited to leave the hustle, bustle and stress of the city behind and join Eaves at our Supper Club, reminiscent of a speakeasy from the Prohibition era.

Going back in time, you and your guests will be enveloped in the atmosphere of the distinctive King George III room at the Brewery. Come and enjoy our sparkling reception, delicious bathtub cocktails and 3 course dinner, and let us entertain you with comedy, live entertainment and a full swing band to get you dancing by the end of the evening.

We provide support for women who have experienced violence to enable them to recover and regain independence.

Areas in which we work include human trafficking, domestic violence and sexual violence. We empower women to escape dangerous and often life-threatening situations. We work with them so that they can assert their independence and develop the skills they need to live happier and more fulfilled lives.

The Supper Club is our biggest fundraising event in 2013 and we invite you to step back in time with us this April and raise funds for our work.
